

LAREDO

TRADITIONAL
(TD2-Version 202503)

1,700 SQ. FT | 4 BEDS | 2.5 BATHS | 26'X56'

Welcome to the Laredo—where thoughtful design meets modern comfort. This stunning two-story home offers 1,700 square feet of beautifully crafted living space, featuring 4 bedrooms and 2.5 bathrooms. An open-concept layout seamlessly connects the kitchen, dining, and living areas, creating an inviting environment ideal for both everyday living and entertaining.

A bright, welcoming foyer sets the tone as you enter the home. The gourmet kitchen is complete with premium finishes to elevate your culinary and entertaining experience, while the conveniently located laundry room sits just off the kitchen and provides direct access to the insulated garage. Throughout the home, enjoy the durability and elegance of quartz or granite countertops, a convenient manabloc water system, ceramic tile in main living areas and bathrooms, and plush carpeting in all bedrooms.

Upstairs, a light-filled landing leads to the home's private quarters. The primary suite features a spacious walk-in closet and a luxurious bathroom equipped with dual vanities, a linen closet, and a standing shower. Every detail has been thoughtfully selected to create a serene retreat you'll love coming home to. Discover your dream home with the Laredo today!
