TRADITIONAL
(TD2-Version 202503)
UPSTAIRS LOFT OPTION

2,076 SQ. FT | 3-4 BEDS | OPTIONAL LAYOUTS | 2.5 BATHS | 34' X 53'

Welcome to the Abilene floor plan by BIC Homes in the Traditional elevation. This 3-bedroom, 1-loft, 2.5-bath residence offers 2,076 square feet of refined sophistication. The Traditional elevation exudes timeless elegance, showcasing classic architectural detailing, graceful symmetry, and a welcoming façade that delivers lasting curb appeal. Inside, a luminous foyer sets an elevated tone, thoughtfully designed with a discreet staircase and a convenient half bath. The open-concept layout unfolds seamlessly, uniting the living, dining, and kitchen areas into a beautifully orchestrated space ideal for both daily comfort and upscale entertaining. At the heart of the home, the Abilene's gourmet kitchen impresses with its generous counter space, chic finishes, and thoughtfully planned design—creating a culinary showpiece that invites connection. A two-panel sliding glass door off the kitchen provides effortless flow to the covered patio and backyard.

Upstairs, a bright landing leads to the bedrooms, bathrooms, and a cozy loft retreat. Each bedroom offers generous proportions and plush carpeting, while tile flooring enhances the main living areas and bathrooms with durability and style. The expansive primary suite welcomes you through elegant double doors and features two walk-in closets along with a spa-inspired bathroom complete with dual vanities, a freestanding tub, and a separate standing shower. The Abilene blends classic charm with elevated design, creating a home that enriches everyday living with comfort, beauty, and timeless appeal.

TRADITIONAL

(TD2-Version 202503)
THEATER OPTION

2,076 SQ. FT | 3-4 BEDS | OPTIONAL LAYOUTS | 2.5 BATHS | 34' X 53'

Welcome to the Abilene floor plan by BIC Homes, showcased here in the charming Hacienda elevation. This thoughtfully designed 3-bedroom, 2.5-bath residence offers 2,076 square feet of refined living. The Hacienda exterior brings Mediterranean warmth to the home's curb appeal, featuring classic clay roof tiles, rich stone detailing, a welcoming courtyard-style porch, and a graceful arched entry that sets the tone for the elegance within.

Inside, a bright foyer greets you with a discreet staircase and a convenient half bath. Just beyond, a dedicated theater room invites you to unwind. Designed for immersive entertainment and comfort, this versatile space is ideal for creating your own private media retreat. Its location near the entry makes it both accessible and perfectly positioned for a cozy, cinematic escape.

The heart of the home is its open-concept living, dining, and kitchen area—an airy, seamless layout crafted for both everyday comfort and effortless entertaining. The gourmet kitchen stands out with its sleek, modern design, and stylish finishes that make it as functional as it is beautiful. A two-panel sliding glass door off the kitchen extends your living space outdoors, opening to the covered patio and backyard for easy indoor-outdoor enjoyment. Upstairs, a bright landing connects the bedrooms and bathrooms. All bedrooms are spacious and carpeted for comfort, while tile flooring enhances durability in the main living areas and baths. The primary suite welcomes you through double doors and features two walk-in closets along with a spa-inspired bathroom complete with dual vanities, a freestanding tub, and a separate standing shower. The Abilene blends thoughtful design with timeless style, creating a home that elevates daily living and surrounds you with comfort at every turn.

TRADITIONAL

(TD2-Version 202503)
4th BEDROOM OPTION

2,076 SQ. FT | 4 BEDS | OPTIONAL LAYOUTS | 2.5 BATHS | 34' X 53'

Welcome to the Abilene floor plan by BIC Homes, beautifully presented in the Hacienda elevation. This 4-bedroom, 2.5-bath home offers 2,076 square feet of refined sophistication. The Hacienda exterior brings Mediterranean charm to life with classic clay roof tiles, rich stone accents, a welcoming courtyard-style porch, and a graceful arched entry that sets an inviting first impression.

Inside, a bright foyer greets you with a discreetly placed staircase and a convenient half bath. The open-concept design seamlessly connects the living, dining, and kitchen areas, creating an elevated environment for both daily living and entertaining. The Abilene's gourmet kitchen stands out with its sleek, modern aesthetic, generous island, and thoughtful layout—an ideal space for cooking, gathering, and connection. A two-panel sliding glass door off the kitchen extends the living space outdoors, offering effortless access to the covered patio and backyard.

Upstairs, a bright landing leads to all four bedrooms and the home's additional bathrooms. Each bedroom is generously sized and carpeted for comfort, while the main living areas and bathrooms feature durable tile flooring. The expansive primary suite welcomes you through double doors and includes two walk-in closets along with a luxurious bathroom featuring dual vanities, a freestanding tub, and a separate standing shower. The Abilene blends thoughtful design with timeless style, creating a home that elevates everyday living and surrounds you with comfort at every turn.

4th BEDROOM OPTION

2,076 SQ. FT | 4 BEDS | OPTIONAL LAYOUTS | 2.5 BATHS | 34' X 53'

Standard Feature Sheet

QUALITY CONSTRUCTION

Soil Testing + Post Tension

Ensures every home starts with a solid foundation. Engineered to last.

16 Inch Stud Spacing

Framed with precision: 16" on center for increased structural integrity and durability.

2x4 Load Bearing Walls at 16" O.C. with Engineered Trusses

Built with 2x4 load-bearing walls at 16" O.C. and engineered trusses for strong, reliable structural support.

Efficient Warranty Support

We keep warranty service in-house and resolved issues within 4 days last year.

Three Phase Private Inspections

3 Detailed inspections: before pouring the slab, after finishing framing, and when home is complete.

All inspections performed by independent third-party inspectors.

Dunn Edwards Paint

High-performance, long-lasting color and protection, with low VOC formulas for healthier indoor air.

Sherwin Williams Total Wall Synthetic Stucco

Engineered to expand and contract with your home, reducing cracks and expanding lifespan.

Texture Options

Brocade Texture on Walls and Ceilings with Rounded Corners on Main Walls OR Semi-Flat texture with straight angle corners.

Standing Showers

Sleek and streamlined look aligning with modern bathroom design.

Rock Wall (varies by area and site)

A structural, material-based feature tied to durability.

Detailed Orientation and Walkthrough

Our team provides a thorough orientation and final walkthrough before closing.
